

# ADJECTIVES

The other day I was hangin' out with my buds  
We were having some pizza just because  
Now what's that?  
You wanna know more about it?  
Ok!  
What was it like?  
What kind of pizza was it?  
How did it taste?

You know it's kind of like a magic trick  
I can make it feel like you were there  
By using adjectives

It was a cheesy, hot, greasy,  
delicious pizza, yeah  
Heavenly, don't even doubt it  
It was one irresistible pepperoni pizza  
Now we know a lot more about it  
Thanks to adjectives  
Words for describing  
Adjectives

Adjectives  
With shape, color, and texture

Adjectives are words that describe things  
So you can really picture them in your head  
They give size, shape, feel, and emotion  
To any noun, so don't even fret

If there's a noun  
but you don't know anything about it  
They answer questions  
you might have in your mind  
Like if I said I had a dream about dragons, well...  
How many dragons were there?  
And what kind?

They were big, scary, powerful,  
fire-breathing dragons  
Mystical, don't even doubt 'em  
There were two formidable, scale-covered  
dragons  
Now we know a lot more about 'em  
Thanks to adjectives
