THE RIVER

The river hums a quiet song.
It carries little leaves along.

A QUIET VOICE

I'm small, but listen to my song.
My quiet voice can still be strong.

DRIFT ALONG

The river hums a quiet song.
Drift along.
Drift along.

The same words, two arrangements

VERSION A

Leaves drift
past my toes.
The river keeps moving.

VERSION B

Leaves drift past my toes.
The river keeps moving.

COLD WATER

Cold water
splashes
under a silver moon.

THE MOON

The moon
was a
silver ring.
