FIX-IT WRITING PROMPT

There is a problem at school! Can you think of a way to fix it?
Get creative!

- 1. State the problem**
- 2. Explain the solution.**
- 3. Tell why that solution works.**

The problem is...

The hallway gets very noisy when students line up.

The solution is...

The teacher has students line up quietly and reminds them to use inside voices.

The solution works because...

Students know what is expected and the hallway stays quiet.
