

Synonyms & Antonyms

I wanna describe an elephant that I saw
I guess you could say that it was "big"
Well that's technically correct, but it's not the perfect word
So I think I need a synonym

A synonym is a word that means the same thing as another word
Like "strange" is to "odd"
An antonym is the opposite word of another word
Like "cold" is to "hot"
If you want to use a word, but it doesn't feel right
Get out a thesaurus, and you know you're gonna find
