

The Theme of the Story

Once upon a time,
there was a young kid
he liked playing board games,
and he liked to win
He couldn't stand to lose,
so he cheated
He would break the rules
to stay undefeated
All his friends said,
"You need to come clean;
we don't want to play
if you're gonna cheat"
He thought he would see
what he could get away with
It wasn't much, and now
he's got no one to play with
And if this story had a theme,
"cheating" is what it might be, because...

The theme of the story
is what the story is about
if you could put it in a word or two
when you really boil it down
"Love", "betrayal", "friendship",
"honesty"
Any of one of the above
could be the theme

There was a young boy,
he wasn't too tall
and his dream was
to play basketball
He tried out for the team,
they said he was too short
They put him on the bench,
wouldn't let him on the court
But he kept training
and he got really good
and the next year he grew half a foot
He made the team and was
the best the school has had to date
later he ended up playing for the NBA

And if this story had a theme
"persistence" is what it might be,
because...

The theme of the story
is what the story is about
if you could put it in a word or two
when you really boil it down
"Fear", "compassion", "loss", or
"jealousy"
Any of one of the above
could be the theme

The theme of the story
is what the story is about
if you could put it in a word or two
when you really boil it down
"justice", "honor", "immortality"
"good vs bad", "reward", "hypocrisy"
"growing up", "facing reality"
Any of one of the above
could be the theme
